

GENERAL WORKSHARE LIST SPRING 2020

West Shade Garden Cleanup and weeding.

Weeding Specific Gardens -Bee-Sat 2; E-Pergola Boxes; E-Herb Box Garden;

Community Plots; W-Shade Garden; W-Elderberry; W-Cul-de-sac Gardens

Mowing and weed-whacking the outside fence lines. Mower and weed-whacker are in the East shed. Please check the mower for oil and gas, supplies are in the East shed. The weed whacker takes its own special fuel in the East shed, not regular gas. If you need help learning how to use the equipment, please contact me.

Weeding on perimeter fences.

Mowing E-Pathways w/ Zoyzia grass near compost bins.

Flipping Compost Bins - Both E & W

Clean both sheds and take Inventories.

Green compost bins to the curb on Tuesdays.

We have an unrented garden on the East side, E4. The boxes need dis-assembled and the garden needs covered with a tarp (in the shed) to prevent weeds from sprouting. I will include a photo of this plot along with a garden map.

If you complete any tasks, please let me know so I can take it off the list. Don't forget to log your hours in the books inside the shed doors. If you want to log these hours online, email sscgworkshare@gmail.com

Please practice social distancing and since you may come into contact with others at the garden consider wearing a mask.
